

WAC 463-54-080 Site preservation or restoration plan. When a site is subject to preservation or restoration pursuant to a plan required as defined in this chapter ~~WAC 463-42-655 through 463-42-675~~, the certificate holder shall conduct operations within terms of the plan; shall advise the council of unforeseen problems and other emergent circumstances at the site; and shall provide site monitoring pursuant to an authorized schedule. After approval of an ~~initial~~ site restoration plan pursuant to WAC 463-42-655 ~~XX-XXX~~ (the new proposed site restoration plan WAC) a certificate holder shall review its site restoration plan in light of relevant new conditions, technologies, and knowledge, and report to the council the results of its review, at least every five years or upon any change in project status. The council may direct the submission of a site preservation or restoration plan at any time during the development, construction, or operating life of a project based upon the council's review of the project's status. The council may require such information and take or require such action as is appropriate to protect all segments of the public against risks or dangers resulting from the site.
